AN ELTAI PROJECT INDIA READS READING MOVEMENT: INITIATED BY TEACHERS

Report

On 1st December 2023, ELTAI Thoothukudi chapter has organized an orientation programme on ELTAI's recent project "India Reads." Dr.K.Elango, National Secretary, ELTAI has initiated the project and has given 2 hours orientation on the skill of reading and the ways to develop the skill of reading among students. The following information were discussed in the orientation –

What?

Reading habit is on the decline among all, especially among students

Why?

Will lead to Intellectual crisis– loss of humanity

Reading is the mother of all skills – automatically will cause the decline of other skills such as speaking, writing, and listening, mainly thinking

Writing skill is almost lost – let that not happen to reading

A revivalism to pre-social media time but striving for the robust co-existence of book reading

How?

A 3-year reading programme

Bilingual reading programme (English and one major language) -reading skills are transferable

3 different levels (age appropriate)

Primary - 3 to 5 standards

High school – 6 to 8 standards

Tertiary – 3 years

A 100-module for each level

A module focuses on a specific theme from fiction, non-fiction, periodicals

A module consists of a video, audio, in-session reading texts, engagements, off-session reading texts

A module is for one hour duration led by a mentor – hands-on

Students expected to read the texts introduced

One-hour per week

Extensive reading - reading for joy – organic absorption of languages rather than the academic itemized, serialized and templated conscious acquisition

Activities

Weekly –module implementation

Monthly – competitions, webinars involving writers- centrally organized

Annual – state and national levels - similar to Spell Bee – celebrities involved – prizes distributed
Awards and recognition for best performing readers

Facilities

LMS (Learning Management System, Exclusive website

Central committee to monitor the execution in all the institutions

Portfolio – profile of learner’s reading at different stages – learners’ voluntary record -tracking and measuring

Dr.K.Elango has discussed the above information with the participants and he has encouraged them to sign MoU with ELTAI.

**Report On Participation as Resource Person in the
Special Lecture on "Positive Attitude – The Key to Success"**

26-03-2024

Geetha Jeevan Arts and Science College, Thoothukudi organized a Special Lecture on "Positive Attitude – The Key to Success" for the under graduate students of Commerce Department on 26-03-2024. I was invited to serve as a resource person to give a special lecture on the topic "Positive Attitude – The Key to Success". Dr. M.Esakki Muthu Head of the Department of Commerce, Geetha Jeevan Arts and Science College welcomed the gathering. Dr.M.Illankumaran, Principal, Geetha Jeevan Arts and Science College, Thoothukudi felicitate the gathering. I started my presentation by asking a question "Which is essential for a successful life? After getting various answers from the students, I revealed the answer as "A small truth to make life a 100% success is Attitude". I explained about "What is Attitude?". Then I list out the importance of having a positive attitude. I discussed about the positive thinking skills. Then I highlighted some interesting facts about attitude. Finally I gave some tips to develop positive attitude. Mr. R. Radha Krishnan, Assistant Professor of Commerce proposed the Vote of thanks. The programme gave me an opportunity to motivate the students to develop positive thinking skills.

Orientation on CTET

17.02.2024

The placement cell of Annammal College of Education for Women, organised an Orientation Program on CTET for the second year students on 17.02.2024. Dr.S. Emimah welcomed the gathering and introduced the resource person. Our Alumna Ms. K.Sharone Snowfana, English teacher, The Vikasa School, Thoothukudi served as a resource Person. She oriented the students about the procedure to apply for CTET and shared her experience about the CTET Preparation. She explained clearly about syllabus of CTET in a nut shell. Then she interacted with the students and clarified the doubts of the students related to CTET, TET and TRB exams. Mrs. D Shunmuga Selva Siva Shankari presented a memento to the resource person. The session ended with the vote of thanks by placement cell student representative Ms. Stuti Talwar.

**Report on the Guest Lecture at the Vikasa School, Sawyerpuram
Campus**

The Vikasa School, Sawyerpuram Campus organized a guest lecture for the students of classes 9, 10, 11 and 12 on 8th March 2024. I was invited to deliver the guest lecture on the topic "Gender and Society". This is a topic close to my heart and I readily agreed to address the students. My guest lecture covered the following aspects: Contribution of great women, unlearning gender and gender stereotypes. The students listened with great interest and I made the session interactive. There were clarifications required for certain notions and I explained the concepts to the satisfaction of the students. The students were able to relate certain real life incidents with the concepts discussed. The guest lecture gave me an opportunity to help students unlearn certain wrong gender notions. I am grateful to the organizers for arranging a guest lecture on a relevant theme for the adolescent learners.

**REPORT ON THE VALUE ADDED COURSE ON "THE POWER OF FOOD:
UNDERSTANDING NUTRITION FOR WELLNESS"**

29.04.2024 to 03.05.2024

Organized by:

The Eco Club of Annammal College of Education for Women, Tiruchendur Road, Thoothukudi in association with The Department of Food Science and Nutrition, Holy Cross Home Science College, Thoothukudi.

Trainer:

- ◆ Mrs. A. Karolin, HOD & Assistant Professor, Department of Food Science and Nutrition, Holy Cross Home Science College, Thoothukudi.

Introduction:

The Value Added Course on 'The Power of Food: Understanding Nutrition for Wellness' was organized with the aim of educating participants on the crucial role of nutrition in maintaining overall health and well-being. This course covered a wide range of topics related to food, nutrition, and their impact on health, providing both theoretical knowledge and practical insights.

Session 1: Introduction to Nutrition:

On the first Session, the trainer introduced the fundamental concept of nutrition, explaining its definition and the profound impact it has on health. The session emphasized the importance of nutrition for maintaining overall well-being and preventing diseases.

Session 2: Fundamentals of Food and Nutrition:

On the second Session, the course explored the basics of food and nutrition, highlighting the differences between macronutrients (proteins, carbohydrates, fats) and micronutrients (vitamins, minerals). Participants learned about the essential food groups and how to identify foods rich in nutrients.

A WEEK NET/SET COACHING- 19.02.2024 to 24.02. 2024

REPORT

The PG and Research Department of English of V.O. Chidambaram College in collaboration with the ELT@I- Thoothukudi Chapter organized A week NET/SET Coaching class from 19.02.2024 to 24.02.2024. Faculties who have cleared NET from Annammal college of Education willingly showered their expertise. Students were given coaching for paper I by the faculties of various departments of Annammal College of Education for Women. Nearly 54 participants from the PG & Research Department of English registered with great enthusiasm. Dr R Mercy Latha, Associate Professor of English welcomed the gathering. Dr. C Veerabahu, Principal, V O Chidambaram college inaugurated the programme. The classes were handled from 2.00pm to 4.00pm. A mock test for 100 marks was conducted on the last day through google forms. The winners were awarded with cash prize by ELT@I. Ms. R. Priyanka secured the first prize and received a cash award of Rs 1000 and Ms. A. Mishal Abinaya won the second prize and received a cash of Rs 500. Ms. J. Reena of last batch who cracked her NET in December 2023 was appreciated and was awarded with a cash prize of Rs 1000. The Coaching class ended on 24.02.2024 with the Valedictory function in which Dr P D Silvia welcomed the gathering. The Valedictory address was delivered by Dr C. Veerabahu, Principal, V O Chidambaram College, Thoothukudi. He stressed on the need for such classes in future and its significance in the present global scenario. All the participants received certificates. Dr R. Mercy Latha delivered the vote of thanks. The programme was well organized and executed through the combined efforts of the convenors Dr. A. Joycilin Sharmila and Dr R. Mercy Latha and Organizing Secretary Dr Anita Albert. The faculty members of the department rendered their full support to the organizing team which resulted in the grand success of the programme.

REPORT ON THE VALUE ADDED COURSE ON "FITNESS FOR LIFE"

24.04.2024 to 30.04.2024

Certified Trainers:

1. Dr. G. Anantharaj, Assistant Professor and Head, Department of Physical Education, Kamaraj College, Thoothukudi
2. Mr. S. Ganeshamoory, Assistant Professor, Department of Physical Education, Kamaraj College, Thoothukudi
3. Mrs. T. Shunmuga Prabha, Assistant Professor, Department of Physical Education, Kamaraj College, Thoothukudi

Session 1: Concept and Meaning of Physical Education

The course commenced with a comprehensive introduction to physical education, led by Dr. G. Anantharaj. Participants gained an understanding of the term "physical education", explored its historical development, and discussed its overarching goals and purposes. This session laid the foundation for understanding the critical role of physical education in promoting holistic health.

Session 2: Scope, Need, and Importance of Physical Education

Mr. S. Ganeshamoory highlighted the broad scope of physical education, emphasizing its significance in various settings such as schools, communities, and workplaces. The session underscored the importance of physical education in promoting health and well-being, and its benefits for both personal and social aspects of life.

Session 3: Understanding Physical Fitness

On the third Session, Mrs. T. Shunmuga Prabha delved into the concept of physical fitness. The session provided a detailed explanation of what physical fitness entails, followed by an exploration of its health-related components: muscular strength, muscular endurance, flexibility, cardiorespiratory endurance, and body composition.

Report on the Academic Audit at Kamaraj College, Thoothukudi

The Internal Quality Assurance Cell of Kamaraj College, Thoothukudi organized an External Academic Audit on 26-09-2023. Dr.SudhaKumari and I were invited to serve as members of the Audit Committee. We consented to serve as Audit Committee Members as we had the experience of being IQAC coordinators in our institution. The Audit began at 9.30 a.m. We had a brief interaction with the Principal and IQAC Coordinator of the college. We were then taken around to the different departments of the institution. We interacted with the faculty members and examined the documents displayed in every department. We recorded our observations and had an exit meeting with the Principal and IQAC Coordinator. The experience helped us to provide recommendations for the better functioning of the college. It also made us know and learn from some of the best practices of the college. Our service as Audit Committee Members was mutually beneficial to both the institutions.

Report for the Academic Council Meeting

18.04.24

The meeting of the academic Council of St. Christopher's College of Education was held on 18th April, 2024 through video conferencing. Changes in the practicum components and self-study courses were discussed at length. Few changes in the mark distribution based on the quantum of work in the practicum components is done. Reforms to be carried out in self-study courses were discussed. It is decided to give liberty to the learners to demonstrate the skills acquired during the course. The members insisted on creating rubrics to assess the performance of the students.

Report for the World Book Day

04.04.2024

Wisdom Public School, Veerapandianpatnam, celebrated World Book Day on April 4, 2024, in collaboration with ELTAI's India Reads Movement, Chennai! Dr. Joycilin Shermila, Principal, Annammal College of Education, Thoothukudi, was the Guest of Honour. The event had fun Book Review Competitions for the students, Thaika School students, parents and teachers. The school signed a Memorandum of Understanding (MOU) with the Government Public Library, Kayalpatnam strengthening the commitment to promoting literacy and education. Shout out to Ms. Rajalakshmi, our Care taker, for being a book worm champ! Dr.A. Joycilin Shermila, a guest of the day and Convener of the ELTAI Thoothukudi chapter, delivered the special address. She encouraged the school students to read more to have fun and reward. She also shared some tips to set small and achievable goals for reading, like reading several pages or chapters each week. This will make reading enjoyable and relevant. After listening to her, students were more likely to develop a lifelong love for reading books!

**Special Address on “Differentiated Instruction for Diverse Learners”-
Report**

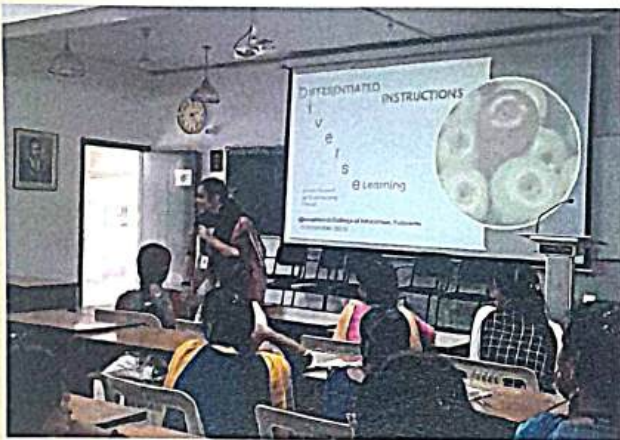

The IQAC of the college organized a Special Address on “Differentiated Instruction for Diverse Learners” for the first year B.Ed. students on 11-12-2023. Dr. Zulaiha Shakeel, Principal, Wisdom Public School, Veerapandianpattinam served as the resource person. Dr. Zulaiha Shakeel began with the Nation Curriculum Framework (2005) recommendations for inclusive education. She pointed out the importance of inclusive education. By describing the characteristics of learning disabled children, she emphasized the need to differentiate education to suit the needs of the diverse population in the classrooms.

Dr. Zulaiha cited examples of the different categories of learners encountered in the classrooms and the ways in which instruction could be varied to suit their differential needs. By defining the term “Individualized Educational Plan”, she made clear the partnership between parents and teachers in developing individualized educational plans. She gave a detailed account of the experience of the school in developing individualized educational plan models. She concluded by reiterating the crucial role of teachers in catering to the diverse needs of learners. The session ended with a formal vote of thanks by the college Principal Dr. A.Joycilin Shermila.

REPORT ON OBSERVATION CLASS 2023-2024

22-08-2023

As a part of Tamil Nadu Teachers Education University's regulations and syllabus, II-year B.Ed. student teachers are required to observe regular classroom teaching at any nearby practice teaching school. Teaching practice coordinators of our college with the guidance of our Principal, scheduled observation classes at Subbiah Vidyalayam Girls' Higher Secondary School, Thoothukudi. After getting prior permission from the head of the teaching practice school, an observation class for the academic year 2022-2023 was planned to be held on 22.08.24. 92 student teachers were accompanied by 10 teacher-educators to Subbiah Vidyalayam Girls' Higher Secondary School, Thoothukudi for observation. Student teachers observed classes related to their pedagogical subject. The observation class helped student teachers to understand the teacher's role in classroom management and content delivery with appropriate teaching methods and aids.

REPORT ON DEMONSTRATION CLASS 2023-2024

23-08-2023

As a part of Tamil Nadu Teachers Education University's regulations and syllabus, demonstration class has to be organized for student teachers before their teaching practice. Teaching practice coordinators of our college under the guidance of our Principal, arranged demonstration class on 23-08-2023. Sixty students studying Standard IX at Subbiah Vidyalayam Girls' Higher Secondary School, Thoothukudi were invited as attendees. Pedagogy teachers handled the classes for school students and demonstrated to student teachers different teaching skills with required teaching aids. They also emphasized the importance of making every class effective and informative. Demonstration classes helped school students to learn content in a different environment and from subject experts. It also helped student teachers to know the procedures to be followed in the regular classroom.
