நீயே எல்லாருடைய மனத்திலும் ஆட்சி செய்கிறாய்.

நின் திருப்பெயர் விந்திய, இமயமலைத் தொடர்களில்
எதிரொலிக்கிறது; யமுனை, கங்கை ஆறுகளின்
இன்னொலியில் ஒன்றுகிறது; இந்தியக் கடலலைகளால்
வணங்கப்படுகிறது.
அவை நின்னருளை வேண்டுகின்றன; நின் புகழைப் பரவுகின்றன.
இந்தியாவின் இன்ப துன்பங்களைக் கணிக்கின்ற தாயே! உனக்கு
வெற்றி ! வெற்றி ! வெற்றி !

Brief History of the College

Annammal College of Education was founded in 1962 by Thiru. AR.A.S. ArumugasamyNadar, (1893 - 1971) the eldest and illustrious son of the founder of the Subbiah Dharmanidhi, Thiru. AR.A. Subbiah Nadar (1871-1943) with the noble ideal of imparting training to graduates among women to become able and talented teachers. The college bears the name of his beloved and benign mother Thirumathi Annammal. Thiru.D.Shenbagamurthi (1921 - 1986) who succeeded his uncle in 1968, brought glory to the Trust and College by his selfless and devoted work. Constructing the college and hostel buildings in the new picturesque location on the Tiruchendur road was always a dream to him. This dream had come true on 31st January 1993 when the new college and hostel buildings were declared open by Thiru.G.K.Moopanar.

Thiru.S.Gauthaman, succeeded his father and served as the Secretary of the college from 1986-1993. Thiru.D.Shunmugam (1993 - 2010), took over charge from 1993 as the Secretary. He joined hands with Thiru. D. Ganesan, the President of the Subbiah Dharmanidhi in making the college a techno park in its infrastructure. They worked for continuous improvement and updation of teaching facilities and resources at all levels.

Thiru.D.Ganesan served as the Secretary of the college from 2010 - 2018. His commitment to quality is always unflinching. Mr.S.Muralidharan is the present Secretary of the college and has the insatiable thirst to make true the vision of his ancestors.

The college was affiliated to Madras University in 1962 and then to Madurai Kamarajar University in 1966 and later to the Manonmaniam Sundaranar University, Tirunelveli in 1990. Since 2008 the college is affiliated to Tamil Nadu Teachers Education University, Chennai. The college is recognised by the National Council for Teacher Education since 1996.

The college offers two year B.Ed. and M.Ed. programmes leading to the degree of Bachelor of Education and Master of Education. The M.Ed. programme was commenced in the year 1994-95. The present intake for B.Ed. and M.Ed. programmes is 100 students and 50 students respectively.

The college has a Network Resource Centre equipped with 60 computers with multimedia facility. A very wide range of facilities exist for extracurricular activities in the form of clubs, committees and cells for the holistic development of students.

Right from the inception, erudite scholars and able administrators have served as Principals and held aloft the flag of the college. The college also has a team of talented and devoted faculty. The results in the University Examinations have been consistently good and the college has carved a niche for itself in the field of teacher education in Tamil Nadu. Dr. A. Joycilin Shermila serves as the Principal and she provides the right leadership, direction and coordination for realizing the vision of the institution.

Special Features

NETWORK RESOURCE CENTRE (NRC)

To keep abreast with the changing scenario in higher education, employment and research a Network Resource Centre (NRC) is set up in the campus. The main objective of the NRC is to create awareness and give exposure to teacher educators and student teachers about the use of computer. NRC has free and

round the clock broad band internet facility, accessible to all student teachers, M.Ed students and teacher educators with 61 terminals, without any time restriction to carry out their practicum activities like presentations and dissertation work to fruition. The multimedia set up in NRC helps to integrate ICT in the teaching and learning process.

A computer course designed by our teacher educators provides the students a basic knowledge on the operational use of computers and the internet. Surfing skills of students are developed through practical training sessions in NRC. The students are also taught to use search engines to download e-resources, to use LMS and to use apps for learning.

Special Coaching

UGC-NET Coaching for M.Ed. students

NET is an added advantage to any student who completes Master's Degree in Education with 55% and above. A pass in UGC-NET Examination is the basic requirement of lectureship in Colleges of Education. Hence we offer UGC NET Coaching to enhance the employability of our M.Ed. students. We provide quality study materials to our students for UGC NET examination.
