ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

The Entrepreneurship Development Cell (EDC) of Annammal College of Education for Women was established on 24 November 2018. The Cell aims to nurture and strengthen entrepreneurial qualities among students who aspire to become entrepreneurs and start their own ventures.

The College encourages innovative ideas and provides the necessary infrastructure, facilities, and guidance to help students transform their ideas into products and services that contribute to societal development. Through various training programmes, workshops, and expert interactions, the EDC fosters creativity, leadership, and self-employment opportunities among students.

Objectives

- To foster an entrepreneurial culture among students
- To organize guest lectures, seminars, workshops, and expert talks on entrepreneurship
- To conduct skill development programmes leading to self-employment and wage employment
- To identify talented students and encourage them to explore their entrepreneurial and innovative potential

Activities

- Conducting hands-on entrepreneurial training programmes and workshops
- Organizing certificate courses and value-added programmes
- Creating opportunities for students to utilize their talents and earn while they learn
- Offering entrepreneurship-oriented courses and awareness programmes
