

ANNAMMAL COLLEGE OF EDUCATION FOR WOMEN

Accredited by NAAC (III Cycle) with A++ (CGPA: 3.61)
Tiruchendur Road, Thoothukudi - 628003

IT CLUB

The Information Technology (IT) Club is a platform designed to enhance the technological knowledge, skills, and creativity of student teachers.

In today's digital era, educators are expected to effectively integrate technology into teaching and learning processes. The IT Club provides opportunities for members to explore emerging technologies, develop digital competencies, and gain practical experience with educational technology tools. The IT Club aims to prepare future teachers to become confident and competent technology-enabled educators who can effectively meet the demands of modern classrooms.

Objectives

- To prepare student teachers to become competent and technology-enabled educators
- To promote the effective use of ICT and digital tools in teaching and learning
- To develop skills in AI tools, digital content creation, and multimedia presentations
- To provide exposure to emerging educational technologies and online learning platforms
- To encourage the ethical, responsible, and safe use of technology

Activities

- Organizing workshops and training programmes
- Conducting seminars and guest lectures on AI, mobile applications, and e-learning platforms
- Providing hands-on training in LMS, virtual classrooms, and online assessment tools
- Developing digital learning resources
- Organizing competitions and awareness programmes related to technology, digital literacy, and cyber safety

COORDINATOR:

- Mrs.A.Jeya Kavitha,
Assistant Professor of Computer Science
